Summary

Aspiring Software Development Engineer with hands-on experience in Python, SQL, and Cloud Computing. Developed full-stack web applications with AI integration and cloud deployment, with a passion for building scalable software solutions.

Skills

- **Programming Languages:** Python, JavaScript, SQL
- **Web Development:** HTML5, CSS3, Flask, REST API Integration
- **Database:** MySQL
- **Cloud & Infrastructure:** AWS (EC2, S3, IAM, VPC, Lambda, CloudFront)
- **Operating Systems:** Linux, Windows
- **Tools & Platforms:** Git, GitHub, VS Code, AWS Console
- **Core Concepts:** Object-Oriented Programming (OOP), DBMS, Operating Systems
- **Networking Fundamentals:** OSI Model, TCP/IP, DNS, HTTP/HTTPS

Projects

LeafNova-AI

[Live](#)

- Developed an AI-powered plant-care and plant disease detection platform using TensorFlow with Gemini AI fallback for low-confidence predictions.
- Integrated weather-based plant care recommendations, multilingual explanations, and REST API integration to provide personalized plant health guidance.

MiniDrive Personal Cloud Storage

[Live](#)

- Developed a secure cloud storage application with user authentication and cloud file management.
- Implemented file upload, download, sharing, folder management and trash recovery.

Portfolio Website

[Live](#)

- Designed and deployed a responsive portfolio website and configured it with HTTPS and CDN-based content delivery to improve website performance and accessibility.

Experience

Cloud Computing Intern — Pinnacle Labs

Jan 2026 – Feb 2026

Remote

- Deployed and monitored a web application on AWS services and resolved configuration issues related to hosting and HTTPS access.

Web Development Intern — Bharat Intern

Jul 2024 – Aug 2024

Remote

- Built 3 web applications, including a weather app, portfolio website, and Netflix clone using JavaScript and REST APIs.

Participant — Google Cloud Study Jam

Oct 2023 – Nov 2023

Remote

- Completed hands-on labs using Compute Engine, Cloud Storage, IAM, and Cloud Shell.

Certifications

- AWS Cloud Quest: Cloud Practitioner (Trained) — 2026 [View Badge](#)
- AWS Academy Cloud Foundations — 2023 [View Badge](#)

Education

B.Tech in Computer Science and Engineering

Completed: July 2026

Bengal College of Engineering and Technology (MAKAUT University)
